WHEREAS, since 1948 the State has operated a ski area at Mount Sunapee State Park to provide public outdoor recreational opportunities for the citizens of New Hampshire and surrounding states and provinces; and

WHEREAS, the State has developed Mount Sunapee State Park using federal outdoor recreation funding from the Land and Water Conservation Fund Program administered by the United States Department of Interior, National Park Service; and

The Leased Premises are more particularly described in Appendices 1, 2 and 3 attached hereto and made a part hereof of this Lease and Operating Agreement, entitled Map of Leased Premises, Property Description of Leased Premises and Other Assets Included in Lease. The Operator shall have the right of ingress and egress to and from the Leased Premises over and across all public highways, work roads or trails owned, constructed, or to be constructed by the State within the general area of the Leased Premises. The State warrants that it has good and marketable title to the Leased Premises and that the Leased Premises are free and clear of all liens, encumbrances, rights of way, easements or claims of title that may interfere with the Operator's ability to perform its obligations under this Lease and Operating Agreement.

**2. TERM.**

Gross revenues shall mean the total amount received by or accruing to the Operator by reason of the privileges granted under this Lease and Operating Agreement from sales or rentals by the Operator or its subcontractors to patrons, for cash or credit, sold for consumption or use on the Leased Premises, of food, beverages, recreational equipment, rentals, tickets or other merchandise or services, including vending machines or coin operated devices.

The following shall be excluded or deducted from gross revenues:

- d. All revenues from the sale or rental of real estate.

**4. SKI AREA OPERATIONS.**

The Operator agrees to manage and operate the Leased Premises as a public ski area and summer recreational facility to provide year-round outdoor recreational opportunities for the general public. This Lease and Operating Agreement shall entitle the Operator to the right to operate a commercial recreational recreational facility (including all of its support activities) on Mount Sunapee in the Towns of Newbury and Goshen. The State agrees that no other commercial recreational activity shall be authorized at this location.

On or before the 15th day of May during each year of this Agreement, the Operator shall submit to DRED an annual operating plan, including a schedule of the proposed days and hours of operation for the ski area, and a description of the types of recreational activities available to the public. The proposed schedule of operation shall be reviewed by DRED and either approved as proposed, or revised for resubmission. DRED shall notify the Operator in writing of a final schedule of operations no later than June 30th of each year.
